2. Total number of Kiddleton stores and locations exceeded 300

GENDA Group's U.S. subsidiary Kiddleton, Inc. opened its first store in Dallas, Texas, in July 2020, and in April 2021, opened "ENTERRIUM", a large-scale entertainment complex combining a restaurant & bar with a game center and bowling facilities in Illinois. In the third year of its establishment, the company expanded its current core business, "Kiosk format" to 50 stores, and continued to expand its business, with the total number of stores and locations exceeding 300 in 30 U.S. states by the end of January 2024. In the future, we will further accelerate the expansion of our business in North America by increasing the number of exclusive prizes (prizes that can only be won in Kiddleton), developing new types of businesses, and cultivating diverse locations for store openings.
